Re: **Notification of Trophy Awards – Winter 2024**

TROPHY NIGHT

6.30 pm – Friday 4th October

Blue Pacific Room (2nd Floor)

Kedron Wavell Services Club

Batting & Bowling Awards by Grade

Listed on the following pages are updated Statistics and Trophy Winners for the 2024 Winter Season.

These trophies will be awarded at presentation night as above at the Kedron Wavell Services Club. Clubs are encouraged to ensure that as many individual winners are present as possible. Perhaps, clubs can subsidize winners given their excellent performances on the field. Premier ship winners are also urged to attend along with supporters. **Families are most welcome.**

Those trophies unable to be collected will be taken to either Marchant Park (northern teams) or Kianawah Park (southern teams) after Trophy night.

Awards are made for all fixture games, (**excluding Finals**) on the basis of **AVERAGE**, not aggregate. The criteria for each section is outlined on each page.

Laurence Christie (Development Officer)

Guest Speaker:

Jeff Thomson

Affectionately known as "Thommo", Jeff Thomson is considered by many in the sport to be the fastest bowler of all time. He was the opening partner of fellow fast bowler Dennis Lillie with their combination being one of the most fearsome in Test cricket history.

Jeff Thomson's Test career spanned from 1973 to 1983 taking 200 wickets at 28.00 apiece
